CHENNAI's SMOOTHEST AMBULANCE

UTTERLY BUTTERLY SMOOTH - Ambulance with Air Suspension

Introducing 1st ever smoothest Ambulance of Chennai with Advanced High Reflex Active Air Cushion Suspension for a Butterly Smooth Patient Transfer. Air Suspension enables a Patient Friendly Movement by minimizing the strain caused during the Patient Transfer from one Hospital to another.

This feature is a boon for severely injured patients, spine & hip operated patients, expectant mothers & senior citizens.

ITS NOT A LUXURY BUT PATIENT FRIENDLY AMBULANCE
